## TECHNICAL DATA SHEET

### Cage Rigid Laundry Style with Full PP Liner

Product Code: RSPC0218

#### Keypoints:

- The 4 Sided Double Door Roll Container Liner is a robust and practical solution designed to protect your products during transport and storage.
- The PP liner ensures that your goods remain secure, damage free and protected.
- The liner offers protection to your products by preventing scratches, dents, and other damage during transit.
- The liner can be easily wiped clean, maintaining a professional appearance, whilst also adhering to high hygiene standards.
- Its fixed, lower front design makes it particularly useful in the laundry industry, where the option to separate fabrics between the two sections of the cage adds efficiency and organisation.

#### Specifications:

Overall Dimensions:	715 x 820 x 1745mm (WxDxH)
Safe working load:	500kg
Finish:	Electroplated zinc with lacquer top coat and white polypropylene lining.
Castors:	160mm Blue Elastic Castors, 2 fixed and 2 swivel

*Various castor types and configurations available*
