TECHNICAL DATA SHEET

4 sided rod laundry cage, blue plastic lined base

Product Code: RSPC0296

Keypoints:

- The 4 Sided Roll Container is a robust and practical solution designed to protect your products during transport and storage.
- The PP lined base ensures that your goods remain secure, damage free and protected. Features 3 plastic hinges and a hinge bar to strengthen the door operation.
- All three hinges rotate together and remain more rigid in its functionality.
- The liner offers protection to your products by preventing scratches, dents, and other damage during transit.
- The liner also prevent items from falling out the base of the cage.
- Its fixed, lower front design makes it particularly useful in the laundry industry.

Specifications:
